Australia – Victoria

No. 049 (T) – 2019

PORT OF MELBOURNE

WEBB DOCK 1 EAST AMENDED MAXIMUM DRAUGHT

Date: 08 March 2019

Refers: Harbour Master's Directions Section 3.15 Table 3(j)

Details: Mariners are advised that dredging and construction works at Webb Dock 1 East are nearing completion and as an interim measure the maximum draught for vessels alongside the berth is 7.5 metres.

Works will continue at Webb Dock 1 East until approximately 30 April 2019 after which a final survey will be completed and navigational charts updated.

Charts & Publications

affected: Harbour Masters Directions August 2017 Edition 10.

Further notice: Further notice will be issued on completion of the works.

Captain Roy Stanbrook
Harbour Master
