PORT OF MELBOURNE

SWANSON DOCK EAST BERTH 3 – BOLLARD UPGRADE WORKS

April 2019 – June 2020

Date: 03 April 2019

Refers: N/A

Details: Mariners are advised that new bollards will be installed over the period April 2019 to June 2020 at Swanson Dock East Berth 3 between chainage 500 and 550 as well as chainage 855 and 885 and landward beyond the northern end of Berth 3 East.

During these works existing bollards between the chainages noted will be taken out of service.

The works will be undertaken by **McConnell Dowell Constructors (Aust.) Pty Ltd**, the primary point of contact is Chris Bier, 0427 552 912, the Secondary contact is Matt Peck, 0418 958 526.

Vessel's berthing on SDE Berth 3 that have been given approval by Port Of Melbourne to have mooring ropes across the new bollard construction zone at Chainage 500 and 550 will require one mooring lines boat on arrival and departure. Under no circumstances are mooring lines to traverse the works zones between the chainages noted.

For more information, contact Melbourne VTS on 9644 9700.

Mariners are advised to navigate with caution in the vicinity of works being carried out at Swanson Dock East Berth.
